## THE PURPOSE

Join us for a series of seven (7) in-person sequential workshops focused on distinct areas of the American School Counselors Association (ASCA) National Model® including leadership, advocacy, collaboration, and systemic change. Explore how school counselors are poised to lead this work and gain practical skills to implement the Assess, Manage, Deliver, and Define components of the national model. Learn from and engage with ASCA certified school counselors, recognized ASCA Model Program (RAMP)® reviewers, and local/national school counseling experts who transformed their schools utilizing the National Model and have earned RAMP® designation. Participants will also participate in breakout sessions throughout the camp, designed to increase capacity. Counseling teams will be provided an optional individual consultation time at the end of each session from 2:00 p.m. - 3:00 p.m.
