

STUDENTS**SUBJECT: Alcohol and Other Drugs**

The County Board of Education and County Superintendent of Schools believe that the use of alcohol or other drugs adversely affects a student's ability to achieve academic success, is physically and emotionally harmful, and has serious social and legal consequences. The Board and Superintendent desire to keep schools free of alcohol and other drugs and desires that every effort be made to reduce student use of these substances. The Board and Superintendent perceive this effort as an important step towards preventing violence, promoting school safety, and creating a disciplined environment conducive to learning.

The County Superintendent or designee shall develop, implement and evaluate a comprehensive prevention and intervention program that is coordinated with other school and community-based services and programs. The County Office of Education's program shall be scientifically based and designed to prevent or reduce alcohol or other drug use and the possession and distribution of illegal drugs. It shall include primary prevention activities such as decision-making skills and conflict management, instruction, referral to a rehabilitation program, enforcement/discipline, activities that promote the involvement of parents/guardians and coordination with appropriate community agencies and organizations.

(cf. 0450 - Comprehensive Safety Plan)
(cf. 4020 - Drug and Alcohol-Free Workplace)
(cf. 5138 - Conflict Resolution/Peer Mediation)
(cf. 6020 - Parent Involvement)

The County Office of Education shall develop performance measures that will be used to monitor and determine the effectiveness of the County Office of Education's program in reducing drug and alcohol use. The County Superintendent or designee shall develop and implement an evaluation process that includes ongoing assessment and analysis of objective data regarding the incidence of drug and alcohol use among district students, including discipline problems, and the prevalence of risk factors.

The County Superintendent or designee shall consult with site administrators, teachers, other school personnel, students and parents/guardians when developing the County Office of Education's program.

The Superintendent or designee shall clearly communicate to all students, staff and parents/guardians the policies, regulations and school rules related to the use of alcohol and other drugs on school/program campuses or at school/program activities. Information about program needs and goals shall be widely distributed in the community.

(cf. 1100 - Communication with the Public)
(cf. 5131.62 - Tobacco)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

The County Board and Superintendent expect staff to conduct themselves in accordance with the philosophy of the County Office of Education related to alcohol and other drugs. Staff should help students see themselves as responsible partners in efforts to maintain a safe, constructive school climate.

Instruction

The County Office of Education shall provide science-based preventative instruction which has been proven effective in helping students avoid the use of alcohol and other drugs.

The County Office of Education shall provide preventative instruction which helps students avoid the use of alcohol and other drugs. Comprehensive, age-appropriate K-12 instruction shall address the legal, social, personal and health consequences of drug and alcohol use, promote a sense of individual responsibility, and inform students about effective techniques for resisting peer pressure to use alcohol and other drugs.

All instruction and related materials shall consistently state that unlawful use of alcohol or other drugs is wrong and harmful. Instruction shall not include the concept of responsible use when such use is illegal.

The County Office of Education shall offer staff development activities for staff who implement the comprehensive drug and alcohol prevention and intervention program.

(cf. 4131 - Staff Development)

Intervention, Referral and Recovering Student Support

The County Board of Education and County Superintendent of Schools believe that effective interventions should be available to assist students who use alcohol or other drugs. School staff, students and parents/guardians shall be informed about signs and symptoms which may indicate alcohol and other drug use and about appropriate agencies offering intervention programs, counseling and rehabilitation for students and their family members. Staff shall help recovering students to avoid reinvolvement with alcohol and other drugs by providing school and/or community service activities designed to increase students' sense of community.

The Board and Superintendent strongly encourage any student who is using alcohol or drugs to discuss the matter with his/her parent/guardian or with any staff member. Students who disclose their use of alcohol or other drugs when seeking help from an intervention or recovery program shall not be disciplined for such use.

Enforcement/Discipline

The Superintendent or designee shall take appropriate action to eliminate possession, use or sale of alcohol and other drugs and related paraphernalia on school/program grounds, at school/program events, or in any situation in which the County Office of Education is responsible for the conduct and well-being of students. County Office of Education authorities may search students and school/program properties for the possession of alcohol and other drugs in accordance with law, County Office of Education policy and administrative regulations.

(cf. 5145.11 - Questioning and Apprehension)

(cf. 5145.12 - Search and Seizure)

Students possessing, using or selling alcohol or other drugs or related paraphernalia at school/program or at a school/program event shall be subject to disciplinary procedures including suspension or expulsion in accordance with law, County Office of Education policy and administrative regulations. Such students also may be referred to an appropriate rehabilitation program.
