4:30 p.m. - 7:30 p.m.

Riverside County Office of Education
Indio Administration Building and Conference Center
83625 Dr. Carreon Boulevard | Indio, CA 92201

Press Play and level up your family weekend at the new Press Play - Riverside County Esports Family Festival. This free, action-packed family celebration brings scholastic esports to life in the Riverside County desert region. This community-centered event brings together students, families, educators, esports clubs, and local organizations to connect, compete, and share in the excitement. Cheer on teams during the Fall *Super Smash Bros. Ultimate 5v5 Crewbattle*, explore interactive game zones, and enjoy a student fan art showcase.

Whether you play, watch, learn, or simply join the fun, everyone has a place in our gaming community. Gather your crew and press play on a day of family connection, community building, education, and esports!
