

PHILOSOPHY-GOALS-COMPREHENSIVE PLANS

SUBJECT: Mission Statement

The Riverside County Office of Education is a service agency supporting local school districts and linking them with the statutory requirements and educational goals of the State of California. As an intermediate unit between the State Department of Education and local school districts, the County Office of Education is uniquely situated to identify emerging educational needs and to develop and disseminate sound educational practices and programs. The mission of the Riverside County Office of Education is to ensure the success of all students through extraordinary service, support, and partnerships.

Within established statutory authority and responsibility, the Riverside County Office of Education leadership role is expressed in the identification and modeling of appropriate educational methods and instructional technologies, a deep commitment to continuous communication and shared decision-making in all working relationships, and constant attention to careful evaluation of current programs and practices. The Riverside County Office of Education seeks to create cooperative partnerships with all stakeholders that benefit students in Riverside County.
