Welcome to the Riverside County History Day competition. We congratulate the students and teachers who have worked hard to prepare for this competition. We would like to thank the teachers and parents who have encouraged and supported the students' efforts.

With this year's History Day theme, students have selected topics, researched the historical context of their topic, used wide and varied primary and secondary sources, researched the various perspectives and points of view in reference to their topics, and analyzed the significance of their topic in history, using primary sources with critical thinking to develop their conclusions and interpretations.
